

When We Talk Whittall Rugs

We want you to know what we are talking about. We always feel that we can talk pretty big when we get on this subject, because we know, no matter how much we say, we cannot exaggerate their good qualities.

1. The Whittall line of Rugs and Carpets is the finest made in America.
2. Every rug and yard of carpet is made on honor and every rug and yard of carpet bears the trade mark "Whittall's" woven into its back—the trade mark is the proud guarantee of the manufacturer.
3. The materials and workmanship that go with these rugs are unequalled.
4. The dyes are tested in thirty days' direct sunlight, and no dye that will not bear this test successfully is used in the manufacture of Whittall goods.
5. Their reputation for beauty and splendid wearing qualities is world-wide.
6. The line is large and contains just the rug you want in just the size and quality you want it and at the price you can afford.

We show the largest stock of WHITTALL RUGS in this section of the country. We are anxious to add our personal guarantee of excellence to that of the manufacturer.

The Co-operative company has not operated the bakery for nearly a year. To-day the aldermanic health committee took over the task of collecting garbage accumulations about town, the contract with S. D. Sibley, extending through a year, having expired last night. Until other arrangements are made the health committee will continue to count it as one of its regular chores. It is argued that the work will be done much more satisfactorily, even though the expense is greater than when the Sibley contract was in force. An effort is being made to work out a schedule whereby the collections shall be made between the hours of 5 and 7 a. m. or 5 and 7 p. m., the arrangement being designed primarily to obviate the necessity of storing garbage on the street curbing during the day. If it develops that another motor truck is to be purchased by the city, the truck will be used in the garbage removal. The health committee contemplates distributing cards advising householders as to when collections are to be made on certain streets.

Wash Goods

The kind that ladies want are selling very fast. Yes, more being sold than ever before. Hot weather has increased the demand. Nothing unusual to take a piece of Wash Goods from the express in the morning and have it all sold before the store closes at night. Our stock is being kept up in the very best shape. New goods by every express. If not here to-day you may find it to-morrow. New lot of Ladies' Neckwear by this morning's express.

Black Cat Hosiery

NOTHING so enhances the charm of a dainty ankle as dressy Black Cat Silks, sheer as spun cobweb, perfect in their fast-clinging fit and reinforced at heels, toes and soles where the wear comes. All colors in exact shades to match gowns and shoes. Come in and see them.

We have always paid 10c per dozen more for our 25c Hose than other merchants pay for theirs. Conditions brought on by the foreign war have made it absolutely necessary that Black Cat manufacturers get a part of the advance in materials and extra cost of labor by advancing prices.

We have received notice from the Black Cat mill, asking us to price our 25c Ladies' Hose to 30c and 35c.

We have on hand a very large supply of Black Cat Hose, so for the present will stand between the people and high prices by holding 35c Hose at 29c per pair.

This applies to our old No. 19 with full rib leg. The greatest 29c value on the market.

Prices on all kinds of goods will change very fast after Sept. 1 and continue to advance as the war continues. We will save you all that we can, even to the extent of cutting our profit.

Children's and Misses' Hose for the present at old prices, 25c per pair.

New Arrivals

We have a special line of goods just for summer trade. These are a little different from spring goods. They are kinds to be used for summer and early fall wear.

New Wash Goods in Voiles and Muslins for waists and dresses. New Sport and Awning Stripes are the craze now. Ours are the latest.

New Collars for ladies' low neck dresses, very pretty, not expensive; 50c buys a full size flat Collar with very fine embroidered edge.

New Hand Bags to use on your vacation trip.

New Silk Auto Caps that are very nice quality and not so very high priced.

We parcel post free any and all things bought at our store.

Garment Department

New Waists and new Mid-die Blouses are selling very fast. Warm weather calls for low-neck, comfortable Waists.

When Suits are selling at less than cost of Coats alone, ladies are very apt to stock up for the coming season.

Ladies' Coats now at half price. These are just as good for summer and early fall as they were for spring, and half price makes them look very attractive.

Lots of new Waists by express to-day. Styles a little different from older ones. Ask to see them in our Garment Department.

New lot of Awning Stripe Silver-bloom Skirts in Green, Gray and Blue, at \$2.98 each. Very desirable; one of the largest sellers in the large cities.

The sale of White Skirts is very large. Nothing more dressy, and the quality of cloth is very fine.

Silk Hosiery at 50c is one of the best Hosiery trades in our store—comes in black, white and colors. Ask to see Plume Brand Muslin Underwear and get acquainted with a better make of Underwear—better at the same price.
